

# WELCOME

The Lifeventure 2011 catalogue contains everything you will need to make an informed decision about which products are right for you. Each product has been specified to ensure that whatever environment you find yourself in, you will be better prepared. Each product shares three key elements: functionality, reliability and style. These come together so that whatever your adventure, you can trust the kit that you are carrying 100% of the time. Your kit becomes your companion for every step of the way and with this in mind, we continue to work on each design until every element functions perfectly. When it comes to manufacture, we use only the very best fabrics and components.

# THE DUKE OF EDINBURGH'S AWARD & LIFEVENTURE

Lifeventure are proud to be working with a charity such as The Duke of Edinburgh's Award. The hugely positive experiences gained by young people achieving their DofE will help them for the rest of their lives. These experiences encourage a greater appreciation of the environment we live in, show how enjoyable it can be to perform a service for others and also give a much greater understanding of the role we play in our community. DofE participants benefit from good quality, well designed kit.

Lifeventure has supplied kit to DofE participants and Leaders for over fifteen years. The DofE's inspirational aims are important to us and we strive to produce products which live up to this expectation. 2011 sees an official link up where Lifeventure is now an official supplier of DofE Recommended Kit. These products have been tested by The Duke of Edinburgh's Award product team, as well as expedition leaders in remote environments and medical professionals around the world. These products are perfect for all levels of DofE expeditions and the list of products will grow as more are designed to meet the needs of DofE Participants

## BAGS & LUGGAGE

Our range of bags and luggage has been developed solely with travel in mind - ecologically friendly products with some neat features that are unique to Lifeventure. Each pack has been designed specifically for the modern day traveller. The packs are focused towards security, functionality and durability and have been streamlined to include only the features you will need for travelling.

## "30 MILLION ITEMS OF LUGGAGE ARE LOST BY AIRLINES EVERY YEAR"

Although we cannot resolve this issue, Lifeventure packs do have 2 features that could help. Our packs feature i-TRAK and also offer a 5% discount off the award-winning Dogtag travel insurance.

**i-TRAK**<sup>®</sup>  
ACTIVE TRACKING

i-TRAK is a global luggage tagging & tracking service that connects the finder of a lost item of luggage, to the owner of that item.

All bags come with a unique identification code and a 1 year subscription to the service.

In the event of a loss, the finder has four ways to contact you via i-TRAK: internet, email, telephone or the airline internal telex.

 **DOGTAG**<sup>®</sup>  
WORLDWIDE ASSISTANCE  
5% discount

Dogtag is an award winning travel insurance designed for action minded travellers. A unique ID and rescue system means it is fast becoming the travel insurance of choice for adventure travel, watersports, snowsports, mountain sports, backpacking or just chilling.

## IT DOESN'T COST THE EARTH

We think that everyone should experience the thrill of travelling. The environmental impact of this passion is something that we are constantly trying to minimise. Our range of bags and luggage has been designed for people who are aware of their impact on our planet and want to do their bit to help. 75% of the materials used in the construction of this range are recycled. This does not mean second grade performance. These packs are robust and reliable so will handle anything you throw at them.

## 2% FOR THE ENVIRONMENT

We donate 2% of the profits made on our range of bags and luggage to registered environmental and ecological projects all over the world.

## PACKABLES

Lifeventure packables provide numerous ways to store, protect and organise your kit. Our stuff sacks and dry bags come in sizes ranging from 2 litres up to 70 litres - they are strong, lightweight and extremely versatile. If you are travelling and find that you need a little extra storage or a lightweight pack for a day trip, our packable daysack and duffel pack down incredibly small, yet provide that bit of extra storage whenever you need it.

## WASHGEAR

Picking out your washgear for a big trip can be tricky - is it taking up too much space?  
Is it too heavy? We have simplified the whole process by providing a compact and concise  
range of washgear products that will make it easy for you to set up a washroom anywhere.  
All Lifeventure Trek Towels are treated with an antibacterial formula that will prevent the  
build-up of bacteria and help reduce bad odours.

Wash Holdall Large & Soft Fibre Trek Towel

PHOTO: Vancouver, Canada

Our Lifeventure Trek Towels are all treated with our permanent antibacterial formula - a broad spectrum anti-microbial treatment that is integral to the fibres within the fabric. Permanent Antibacterial treatment prevents the build up of bacteria, keeping your towel cleaner and smelling fresher for longer. Treatment is designed to last for the life of the towel.

## SLEEPGEAR

We know that whilst on your travels, sleep is often found in exotic places and unusual surroundings. The Llifeventure range of lightweight sleeping bags, sleepers, pillows and accessories are compact and comfortable, helping you to find rest wherever you are.

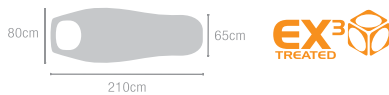

EX<sup>3</sup> is a fabric treatment which uses Lifesystems technology to provide a triple layer of protection. Firstly, the antibacterial layer helps to prevent odour build-up and bacterial degradation. The second layer actively repels mosquitoes and the third layer protects against the threat of bed bugs. Treatment lasts for up to 2 years or 35 washes.

## SLEEPLIGHT SLEEPING BAGS

- Lightweight ripstop nylon outer shell
- Tactel nylon & micro-polyester internal lining
- High quality ThermaFibre insulation
- 2-way zip & draw-cord top entry

## MICROBEAN CUSHION (9616)

- Ultrasoft lumbar cushion
- Microbean filling for superior comfort
- Comes with air mesh carry case

300 x 300 x 80 mm | 60g

## FLEECE CUSHION (65340)

- Lightweight inflatable lumbar cushion
- Large, easy to use valve
- Ultra-soft, micro fleece fabric
- Removable and washable cover

270 x 380 x 100 mm | 150g

## **FLOCK CUSHION** (65330)

- Lightweight inflatable lumbar cushion
- Large, easy to use valve
- Soft-feel, flock outer fabric
- Includes storage sack

235 x 340 x 70 mm | 113g

## **FLOCK PILLOW** (65310)

- Lightweight inflatable neck pillow
- Large, easy to use valve
- Soft-feel, flock outer fabric
- Low profile contoured neck section
- Includes storage sack

260 x 350 x 100 mm | 100g

## **FLEECE PILLOW** (65320)

- Lightweight inflatable neck pillow
- Large, easy to use valve
- Ultra-soft, micro fleece fabric
- Removable and washable cover

310 x 380 x 100 mm | 112g

## **MICROBEAN PILLOW** (9613)

- Ultrasoft neck pillow
- Microbean filling for superior comfort
- Comes with air mesh carry case

280 x 330 x 105 mm | 290g

## THERMAFIBRE CUSHION (65350)

- Compact and lightweight pillow
- Dual fabric - choice of cotton or fleece finish
- Folds neatly into its integral stuff-sack

290 x 340 x 100 mm | 253g

**thermaFibre**  
HIGH PERFORMANCE INSULATION

## EX<sup>3</sup> SILK PILLOWCASE

- Made from 100% silk
- Treated with EX<sup>3</sup> triple layer protection
- Supplied with ripstop case, available in 2 colours

Black (65210) | 730 x 495 mm | 45g

Brown (65215) | 730 x 495 mm | 45g

## TRAVEL EAR PLUGS (8990)

- Soft foam material
- Fits to the shape of inside the ear
- 3 pairs supplied in plastic case

56 x 40 x 20 mm | 13g (whole set)

## TIME TRAVELLER ALARM CLOCK (8990)

- Compact folding design with large display
- Easy to use with snooze and backlight feature
- Comes in a protective neoprene sleeve

125 x 40 x 5 mm | 40g

## **HAMMOCK** *(9905)*

- Lightweight, high-strength fabrics
- High density rope fastenings
- Provided with stuff sack and hooks
- Tree ropes included

3000 x 1600 mm (unpacked) | 315g  
180 x 85 x 85 mm (packed)

## COOKWARE

High quality, tough cookware for camping and outdoor use can be hard to come by.
