# Welcome

The LittleLife® team draws on a huge depth of experience in the design of outdoor and adventure travel gear. We have learnt the best techniques for making things strong, lightweight and comfortable. Every detail has been carefully considered and perhaps more importantly, the team recognises the crucial role of safety when designing products for use with children. There can be no compromise. LittleLife delivers unparalleled quality for families who enjoy a bit of an adventure.

## Child Carriers

LittleLife Child Carriers incorporate key safety and comfort features that set them apart in terms of technical detail and performance. You will find that our carriers are superbly comfortable for the parent, as well as snug and cosy for your child.

### Safety

Each LittleLife Carrier has been fitted with key safety features that allow the child to remain safe while you lift the pack and when you are on the move. These features include the patented Anchor Point, stability handles, reflective fabrics/piping and the twin point stabilising system.

### Functionality

There are a number of clever little practical features incorporated into each design such as toy loops, washable fabrics, sun shade and foot stirrups. Some even have a pocket rear-view mirror, a rain cover and an insulated bottle pocket.

### Comfort

Your child should always be really comfortable. For each LittleLife Carrier, the seat and harness is fully adjustable and anatomically shaped to support children of 6 months to approximately 3 years old. Of course, parents are important too, so we have created backsystems that ensure optimal load carrying wherever you go.

# Child Carrier Features

## Anchor Point®

The Anchor Point (patented) enables the pack to be steadied whilst leaving the parent's hands free to strap the child in safely and securely.

## Vibram® Rubber Base

The durable, waterproof Vibram® Rubber Base is featured on our outdoor inspired All Terrain and Cross Terrain carriers to ensure the pack remains dry when placed on wet ground and is easy to clean.

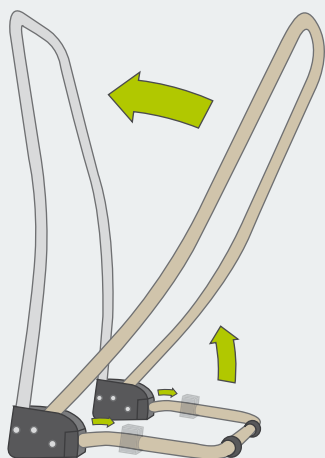

## Adjustable Backsystems

Our adjustable backsystems are all simple to adjust and comfortable to wear. There are several different variations from the high-end Comfort-Adjust system for ultimate comfort and adjustability, to the more simple but ultra compact Ladder-Adjustment system.

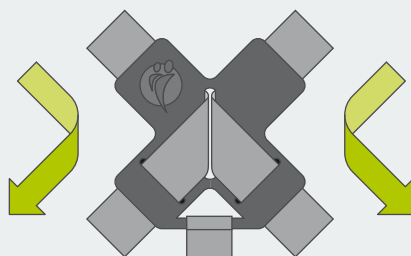

## AirFlow Technology

AirFlow backsystems are featured on our Freedom and Discoverer carriers. This technology uses a mesh panel which holds the carrier away from your back, maintaining good air flow for improved comfort over longer periods of time.

## Space-Saver Frame

Our strong Nylon bracket is easy to use and enables the user to collapse the frame at the base of the carrier, reducing the space occupied by up to 40%. The Space-Saver Frame is featured on the Voyager S2, Freedom, Cross Country S2, All Terrain and Cross Terrain Carriers.

## X-Buckle

Our new 5-point X-Buckle chest plate (patent pending) removes the need for a traditional chest strap and offers a higher level of adjustability and security. The shoulder strap fastenings and adjustments are made outside of the child's cockpit, making the process of loading the child quicker and easier.

## Child Cockpit & Harness

Now featuring soft-touch fabrics and a fun-filled, printed face pad. All LittleLife child seats are height adjustable and anatomically shaped to best support the child.

Both the seat and the shoulder harness are padded for maximum comfort.

## Voyager S2 LI0510

The Voyager S2 is our top of the range child carrier. It is designed for both long days away and family holidays. As well as being a fully featured carrier, it also has 28 litres of storage capacity. The Voyager includes a fully adjustable, technical backsystem design taken from top level mountaineering rucksacks. This ensures maximum carrying comfort over long periods of time. It also features a detachable daysack, rear view mirror (so you can keep an eye on your child), a set of foot stirrups, a sun shade and a rain cover.

**Weight:** 2.7 kg (5 lbs. 15 oz.) | **Max Load:** 20 kg (44 lbs.)  
**Dimensions:** 31 x 35 x 70cm (12¼ x 13¾ x 27½")

**Adult Fit**  
 1.57-1.93 m (5'2"-6'4")

**Child Fit**  
 6mths-3yrs

Sun Shade  
(included)

Foot Stirrups  
(included)

Rear View Mirror  
(in hip pocket)

Space-Saver  
Frame (internal)

- 1 Anatomically shaped child seat and printed face pad
- 2 Adjustable backsystem with padded shoulder/back sections
- 3 Toy loops for attaching items which may get lost
- 4 Large pocket for storing accessories, nappies, clothes etc.
- 5 Anchor point for added stability when loading the child
- 6 Insulated bottle pocket
- 7 Pivoting hip belt adds comfort when walking
- 8 Padded top grab handle to assist lifting the pack
- 9 Reflective piping and removable daysack
- 10 Side grab handle to prevent twisting when lifting

## Freedom LI0520

The Freedom is ideal for long rambles or whole days out. It incorporates a number of features, one of which is its adjustable and supremely comfortable Air-Flow backsystem which keeps the pack away from your back whilst you are walking. This increases comfort and reduces the heat of the pack against your back. The large base compartment offers plenty of room for nappies and spare clothing, whilst the top pocket is perfect for drinks, snacks, wipes and other essentials. In total, it has 27 litres storage capacity.

**Weight:** 2.4 kg (5 lbs. 5 oz.) | **Max Load:** 20 kg (44 lbs.)  
**Dimensions:** 31 x 35 x 70cm (12¼ x 13¾ x 27½")

**Adult Fit**  
 1.57-1.87 m (5'2"-6'2")

**Child Fit**  
 6mths-3yrs

## Cross Country S2 LI0530

Lightweight, tough and comfortable to wear, the Cross Country S2 is perfect for days in the country or city excursions. It incorporates the patented Anchor Point, grab handles, reflective piping, toy loops, soft face pad, anatomically shaped child seat and 20 litres storage capacity. It uses a Comfort-Adjust backsystem to ensure comfort and stability and also includes a sun shade.

**Weight:** 2.6 kg (5 lbs. 12 oz.) | **Max Load:** 20 kg (44 lbs.)  
**Dimensions:** 31 x 26 x 70cm (12¼ x 10¼ x 27½")

| 4 Large pocket for storing accessories, nappies, clothes etc. | 9 Reflective piping for increased visibility         |
| 5 Anchor point for added stability when loading the child     | 10 Side grab handle to prevent twisting when lifting |

## Traveller S2 LI0540

Occupying up to 30% less space than our full-sized carriers, the design of the Traveller S2 is deliberately minimalist. This ensures that it packs away neatly, taking up the least space possible and making it ideal for travel. Despite this, it still has some clever little features and boasts 12 litres of storage capacity. To ensure the pack is protected whilst not in use, the carrier comes with its own lightweight protective transporter case.

**Weight:** 2.0 kg (4 lbs. 6 oz.) | **Max Load:** 20 kg (44 lbs.)  
**Dimensions:** 29 x 28 x 70cm (11½ x 11 x 27½")

**Adult Fit**  
 1.57-1.83 m (5'2"-6'0")

**Child Fit**  
 6mths-3yrs

Protective Carry Case  
(included)

- 1 Anatomically shaped child seat and printed face pad
- 2 Adjustable backsystem with padded shoulder/back sections
- 3 Toy loops for attaching items which may get lost
- 4 Anchor point for added stability when loading the child
- 5 Large accessory pocket and reflective piping
- 6 Padded top grab handle to assist lifting the pack
- 7 Space-saving aluminium frame, ideal for travel
- 8 Side grab handle to prevent twisting when lifting

Complies with BS EN 13209-1:2004 & BS EN 71-3:1994 Safety Standards

## Discoverer LI0550

The Discoverer is a minimalist carrier with a kick-out-leg design so it can stand on its own. The carrier itself is lightweight, comfortable and ideal for short days out or wandering around the town. The Discoverer has our ergonomic child's seat with shoulder straps and adjustable height (as with all our carriers) and we have incorporated AirFlow technology into the parent's backsystem so mum and dad will be comfortable using it. It also features reflective Illuminite fabric panels on the back of the pack, just in case you get caught out after dark.

**Weight:** 2.0 kg (4 lbs. 6 oz.) | **Max Load:** 20 kg (44 lbs.)  
**Dimensions:** 37 x 25 x 69cm (14½ x 10 x 27")

**Adult Fit**  
 1.63-1.83 m (5'4"-6'0")

**Child Fit**  
 6mths-3yrs

Locking Kick-Out Leg  
Mechanism

- 1 Anatomically shaped child seat and printed face pad
- 2 Adjustable backsystem with padded shoulder/back sections
- 3 Toy loops for attaching items which may get lost
- 4 Illuminite reflective fabric panels for increased visibility
- 5 Kick-out leg which can be locked open or closed
- 6 Pivoting hip belt adds comfort when walking
- 7 Padded top grab handle to assist lifting the pack
- 8 Lightweight and compact folding aluminium frame

Complies with BS EN 13209-1:2004 & BS EN 71-3:1994 Safety Standards

## Ultralight Convertible LI0560

The unique and ingenious design of the Ultralight Convertible is capable of storing all the nappies, wipes, jumpers and waterproofs that you need on a day out. Unzip the main compartment and you reveal the child's seat. There is an internal frame as with any of the larger carriers, but we have accompanied this with a fully padded backsystem based on an outdoor daysack. When your little one wants to get out and run around, you can simply zip it up and use it as a daysack.

**Weight:** 2.0 kg (4 lbs. 6 oz.) | **Max Load:** 15 kg (33 lbs.)  
**Dimensions:** 30 x 24 x 48cm (11¾ x 9½ x 19")

**Adult Fit**  
 1.57-1.80 m (5'2"-5'11")

**Child Fit**  
 6mths-3yrs

- ❸ Large pocket for storing accessories, nappies, clothes etc.
- ❹ Anchor point for added stability whilst loading the child
- ❺ Reflective piping for increased visibility
- ❻ Padded top grab handle to assist lifting the pack
- ❼ Lightweight and compact aluminium frame
- ❽ Magnetic zip covers to protect child's legs

Complies with BS EN 13209-1:2004 & BS EN 71-3:1994 Safety Standards

## All Terrain LI0570

The All Terrain is our new high specification, outdoor inspired child carrier. It is designed for days on the hillside and trekking through the mountains. This fully featured carrier has an adjustable reticulated mesh backsystem, bungee attachments, Vibram® rubber base, our new 5-point X-Buckle child harness (patent pending) and is hydration compatible. It includes a detachable daysack, rear view mirror, a set of foot stirrups, sun shade and rain cover.

**Weight:** 3.0 kg (6 lbs. 10 oz.) | **Max Load:** 20 kg (44 lbs.)  
**Dimensions:** 31 x 35 x 70cm (12¼ x 13¾ x 27½")

- 6 Bungee attachments and removable daysack
- 7 Pivoting hip belt adds comfort when walking
- 8 Top grab handles to assist lifting the pack
- 9 Vibram® rubber base ensures the pack remains dry
- 10 Side grab handle to prevent twisting when lifting

## Cross Terrain LI0580

New for 2011, the Cross Terrain is an outdoor inspired child carrier designed for days on the hillside and long walks through rough terrain. Featuring an adjustable reticulated mesh backsystem, bungee attachments, Vibram® rubber base, our new 5-point X-Buckle child harness (patent pending) and hydration compatibility, this is a well equipped carrier. It also includes a set of foot stirrups and a sun shade as standard.

**Weight:** 2.7 kg (5 lbs. 15 oz.) | **Max Load:** 20 kg (44 lbs.)  
**Dimensions:** 31 x 26 x 70cm (12¼ x 10¼ x 27½")

- 10 Side grab handle to prevent twisting when lifting

# Child Carrier Accessories

## Rain Covers

A water resistant cover that protects both your child and the pack. It attaches via a simple tubular aluminium frame. The front window can be stowed away.

**Rain Cover (L10621)** - a full-length cover. Suitable for use with the Voyager S2, Freedom, Cross Country S2, Traveller S2, All Terrain & Cross Terrain Child Carriers.

**Compact Rain Cover (L10622)** - a half-length cover. Suitable for use with all LittleLife Child Carriers.

## Sun Shade L10610

A lightweight, weather resistant cover with fully breathable mesh on both sides. The Sun Shade can be used to protect your child from harmful rays as well as the occasional shower.

Suitable for use with all LittleLife Child Carriers.

## Transporter L10660

Compatible with the new space-saver carrier frame, the Transporter is the perfect solution for protecting your carrier whilst in transit.

Suitable for use with the Voyager S2, Freedom, Cross Country S2, All Terrain & Cross Terrain Child Carriers.

## Snooze Pillow L10650

For sleepy children! The snooze pillow is a foam pillow that can easily be attached to your carrier to provide additional head support for your child whilst they are sleeping.

Suitable for use with all LittleLife Child Carriers.

## Foot Stirrups L10640

For taller children! These foot stirrups simply attach to the sides of your carrier and support longer legs. They are fully adjustable and compatible with all LittleLife Child Carriers.

Suitable for use with all LittleLife Child Carriers.

## Spare Face Pad L10670

A spare face pad with fun animal print to replace your worn, dirty or misplaced original item.

Suitable for use with all LittleLife Child Carriers.

## Travel Cots

A good travel cot will be safe and comfortable for the child, as well as compact and easy to use for the parent. Each LittleLife Travel Cot uses these simple ideals as the cornerstone of its design. All cots come with a neat carry case and weigh less than 3kgs, making them extremely practical for travel. We have used high quality, lightweight components and fabrics on every cot. This means that each cot is also well suited for outdoor use as they are robust and hard wearing - perfect for the beach, the park or just while you're in the garden.

### Spacious

Each LittleLife Travel Cot creates an airy environment for your child to enjoy whilst they are sleeping or playing. The mesh top and sides allow the air to circulate easily, and all three cots have two openings for easy access.

### Stable

Each cot has been based on a geodesic mountain tent design and uses high strength aluminium poles. This means that they are strong enough to withstand heavy wear and tear and stable enough not to tip over. All LittleLife Travel Cots conform to rigorous British and European Safety Standards.

### Compact

Traditionally, one of the great problems with travel cots has been that they were heavy, bulky items to carry. Weighing almost 75% less than most other travel cots, LittleLife cots use quality lightweight fabrics and incorporate high strength aluminium frames. The result is a cot which is easy to take with you, wherever you go.

## Arc 2 LI0272

The LittleLife Arc 2 is our most compact cot. The two aluminium poles that create the structure form an extremely stable frame, ensuring safety for your child. The unique asymmetric design also means that the front opening of the cot is wider and higher than the back, making it more accessible. The top of the cot can be opened for access from above. Lightweight materials are used throughout; the front, back and top panels are made from airy insect-proof mesh. The foam mattress can be removed and it's cotton cover is machine washable.

**Weight:** 2.5 kg (5 lbs. 8 oz.)

**Dimensions (packed):** 24 x 24 x 50cm (9½ x 9½ x 19¾")

**Dimensions (unpacked):** 85 x 72 x 133cm (33½ x 28½ x 52½")

**Child Fit**

0 mths-3 yrs

- 1 Ventilating anti-insect mesh on all top and side panels
- 2 Top opening folds neatly into storage pocket
- 3 Webbing for securing the cot to avoid movement in use
- 4 Packs down into a compact carry case with shoulder strap
- 5 High quality, shock-corded aluminium poles
- 6 Zip-down front panel with safety toggle
- 7 Removable foam mattress with washable cotton cover
- 8 Lightweight polycotton main fabric

Complies with BS EN 1877-10:1997, BS EN 597-1 & 2:1995, BS 7177:2008, BS EN 716-1 & 2:2008 & BS EN 71-3:1994 Safety Standards

## Arc 2 si LI0290

The LittleLife Arc 2-si is our new lightweight, outdoor inspired cot. Based on the popular Arc 2 design, it's twin pole frame ensures safety and stability. The asymmetric design means that the front opening of the cot is wider and higher than the back, offering great accessibility. The top of the cot can be opened for access from above. Lightweight materials are used throughout; the front, back and top panels are made from airy insect-proof mesh. Ripstop fabrics and a self-inflating foam mattress complete the package.

**Weight:** 2.5 kg (5 lbs. 8 oz.)

**Dimensions (packed):** 24 x 24 x 50cm (9½ x 9½ x 19¾")

**Dimensions (unpacked):** 85 x 72 x 133cm (33½ x 28½ x 52½")

**Child Fit**

0 mths-3 yrs

- 1 Ventilating anti-insect mesh on all top and side panels
- 2 Top opening folds neatly into storage pocket
- 3 Webbing for securing the cot to avoid movement in use
- 4 Packs down into a compact carry case with shoulder strap
- 5 High quality, shock-corded aluminium poles
- 6 Zip-down front panel with safety toggle
- 7 Self-inflating mattress with washable cotton cover
- 8 Ripstop nylon fabrics are lightweight and durable

## Arc 3 LI0282

The LittleLife Arc 3 is perfect for both indoor and outdoor use on your holidays, combining robust design with product features ideally suited for travel and outdoor use. The 3-pole geodesic design provides a feeling of space and gives the frame incredible strength and stability. In fact, the design of the Arc 3 with its top opening means that the cot can also be used as an outdoor play pen for smaller children. It uses lightweight aluminium poles, ultralight fabrics and insect-proof mesh panels on the top and sides which provide a good flow of air.

**Weight:** 2.9 kg (6 lbs. 6 oz.)

**Dimensions (packed):** 24 x 24 x 50cm (9½ x 9½ x 19¾")

**Dimensions (unpacked):** 75 x 125 x 125cm (29½ x 49¼ x 49¼")

**Child Fit**  
0 mths - 3 yrs

- ❶ Ventilating anti-insect mesh on all top and side panels
- ❷ Top opening folds neatly into storage pocket
- ❸ Webbing for securing the cot to avoid movement in use
- ❹ Packs down into a compact carry case with shoulder strap
- ❺ High quality, shock-corded aluminium poles
- ❻ Zip-down front panel with safety toggle
- ❼ Removable foam mattress with washable cotton cover
- ❽ Lightweight polycotton main fabric

Complies with BS EN 1877-10:1997, BS EN 597-1 & 2:1995, BS 7177:2008, BS EN 716-1 & 2:2008 & BS EN 71-3:1994 Safety Standards

## Daysacks & Reins

We all know that toddlers have a natural instinct for exploring, and who can blame them? We understand this instinct and the LittleLife Daysack range embraces it, whilst also providing parents with control over their child. LittleLife Toddler and Kids Daysacks allow you to attach a safety strap to the top of the sack so that parents can keep the child close to them whenever necessary. The Daysacks themselves come in a range of fun colours, shapes and designs and each can hold toys, a nappy, a spare top for the child and any extra wipes and snacks you may want to bring with you.

### Safety

All LittleLife Toddler and Kids Daysacks have this simple but extremely useful addition to them. It is a removable safety strap that will keep your toddler close to you whilst out and about. Importantly this strap has passed all safety standards as a "rein", so you can rest assured that the attachment is safe.

### Fun

There are a vast number of different colours and designs to choose from in our range of daysacks. This year sees the launch of our new Spider and Dinosaur Animal Daysacks that will accompany favourites like the Turtle and Ladybird.

## *Runabout Toddler Daysacks*

The Runabout Toddler Daysack is not just a cute bag for kids. There is a whole lot of practicality hidden in that little design. The removable safety rein attaches to the top of the pack to give them the independence they want and you the reassurance you need. There is enough room in each pack to hold nappies, snacks, wipes or those beloved toys that you can't leave home without.

**Weight:** 143 g (5 oz.) | **Capacity:** 3 litres  
**Dimensions:** 11 x 17 x 26cm (4½ x 6¾ x 10¼")

**Child Fit**  
6 mths-3 yrs

- Removable parents' safety rein and top grab handle
- Adjustable padded shoulder straps with chest strap
- Side mesh pocket for drinks and snacks
- Zipped top-entry to main compartment
- Reflective piping for increased visibility

Complies with BS EN 13210:2004 and BS EN 71-3:1994 Safety Standards

Parents' safety rein

## *Animal Toddler Daysacks*

This adorable Animal Daysack adds a touch of fun to any day out. They hold a surprising amount of stuff and the removable safety rein gives crucial parental control when you're out and about. The Animal Daysack also has a weatherproof hood (except butterfly) that stows away in a top pocket; open it out and your child can complete the transformation from little person to ladybird, turtle, cow, bee, shark, spider or dinosaur with maximum effect!

**Weight:** 200 g (7 oz.) | **Capacity:** 2 litres  
**Dimensions:** 12 x 18 x 23cm (4¾ x 7 x 9")

**Child Fit**  
6 mths-3 yrs

- Removable parents' safety rein and top grab handle
- Adjustable padded shoulder straps with chest strap
- Weather-proof character hood in top storage pocket (except Butterfly)
- Internal name/address label (except Butterfly)
- Zipped top-entry to main compartment

Complies with BS EN 13210:2004 and BS EN 71-3:1994 Safety Standards

Parents' safety rein

## *Alpine 2 Toddler Daysacks*

Featuring high quality nylon fabrics, padded shoulder straps and Hypalon toy loops, our new range of outdoor-inspired toddler daysacks are perfect for aspiring explorers. As with all our toddler daysacks, there is a removable safety rein that attaches to the top of the pack, giving them the feeling of independence and you the reassurance that they are safely within arms length. There is enough room in each pack to hold a few snacks and favorite toys.

**Weight:** 185 g (6.5 oz.) | **Capacity:** 3 litres  
**Dimensions:** 10 x 16 x 23cm (4 x 6¼ x 9")

 **Child Fit**  
6 mths-3 yrs

- Removable parents' safety rein and top grab handle
- Padded adjustable shoulder straps and chest strap
- Hypalon toy loops & front mesh pocket for drinks and snacks
- 3 litre main compartment with top-entry
- High quality Nylon fabrics with reflective piping for increased visibility

Complies with BS EN 13210:2004 and BS EN 71-3:1994 Safety Standards

Parents' safety rein

## Adventurer Kids Daysacks

The Adventurer Kids Daysack is aimed at slightly older children and will hold everything they need for school, a sleep over or a day in the park. Its spacious main compartment with zipped entry provides a good level of storage with quick and easy access. Reflective piping increases visibility when it starts getting dark.

**Weight:** 246 g (8.6 oz.) | **Capacity:** 6 litres  
**Dimensions:** 20 x 13 x 31cm (7¾ x 5 x 12¼")

- Removable parents' safety rein and padded top grab handle
- Adjustable shoulder straps and chest strap
- Zipped front pocket for drinks and snacks
- 6 litre main compartment with top-entry
- Reflective piping for increased visibility

Complies with BS EN 13210:2004 and BS EN 71-3:1994 Safety Standards

Parents' safety rein

## *Alpine 4 Kids Daysacks*

Our new range of outdoor-inspired kids daysacks are perfect for those budding explorers. Aimed at slightly older children, the Alpine 4 is a top-loading daysack featuring high quality nylon fabrics, a reticulated mesh backsystem and a good level of storage. As with all our kids daysacks, there is a removable safety rein too.

**Weight:** 275 g (9.7 oz.) | **Capacity:** 6 litres  
**Dimensions:** 20 x 14 x 28cm (7¾ x 5½ x 11")

- Removable parents' safety rein and top grab handle
- Mesh backsystem with adjustable shoulder straps and chest strap
- Hypalon toy loop & zipped front pocket for drinks and snacks
- 6 litre main compartment with top-entry & side mesh bottle pocket
- High quality Nylon fabrics with reflective piping for increased visibility

Complies with BS EN 13210:2004 and BS EN 71-3:1994 Safety Standards

Parents' safety rein

## Wrist Link & Harness

2011 sees the launch of LittleLife's Wrist Link and Safety Harness products. Following the success of our Daysack range, these two new additions offer parent's more choice when looking for ways of keeping their children safe. Both the Wrist Link and the Safety Harness are comfortable to wear and easy to use. They allow the child a sense of freedom whilst the parent can be safe in the knowledge that they are always close by.

**Wrist Link:** Weight: 80 g (2.8 oz.) | Dimensions: 11 x 11 x 4cm (4½ x 4½ x 1½")  
**Harness:** Weight: 180 g (6.3 oz.) | Dimensions: 17 x 12 x 5cm (6¾ x 4¾ x 2")

 **Child Fit**  
0mths-3yrs

## Safety Wrist Link LI0257

This simple but effective wrist link offers the benefit of a safety rein but gives your child a greater feeling of freedom. With adjustable wrist fastenings at each end and an elasticated centre section, the wrist link is both simple to attach and comfortable to wear for both adult and child.

## Safety Harness LI0258

A fully adjustable harness with removable safety rein attachment. All the fastenings and adjustments are made at the rear of the harness, making it extremely easy to use. The Safety Harness offers excellent comfort and security for the child as well as peace of mind for the parent.

## Out & About

LittleLife is all about the great outdoors and we all know that children love to make the most of it. This is why at LittleLife, we strive to make your life easier in letting them have the freedom and fun they deserve. You can have peace of mind that we have thought of the risks, before they occur.

## Fun & Games

As I'm sure you are aware, children are full of energy and love to be outdoors, play games and have fun with friends and family. The LittleLife Parachute Playmat can be used as a groundsheet, picnic blanket or for a host of activities, ensuring maximum fun for all involved.

## Protection

Heat and the sun's harmful UV rays are not to be taken lightly. LittleLife know the importance of being able to protect children, who are much more vulnerable to sunburn than adults. New for 2012, our beach shelters are rated SPF-50, making them the ideal solution for days out in the garden, at the park or on the beach.

## Safety

Whichever way you go about it, the great outdoors presents its own hidden dangers which cannot always be avoided. Problems can occur in some inconvenient places which is why LittleLife have developed a range of first aid kits.

## Beach Shelters

LittleLife Beach Shelters are extremely lightweight and simple to erect. Their semi-geodesic design ensures that the shelter stays firmly on the ground, even on blustery summer days. The high quality fabric offers that all important protection from the sun's rays (SPF 50 rated), making them a perfect place to be during the hottest part of the day. Each shelter is open-fronted and offers ample room for storage and play. The Family shelter even has a zip-up door for extra privacy, making it an ideal changing area with enough room for all the family.

**Compact (L10310)** - Weight: 1.45 kg (3 lbs. 3 oz.) / Dims (packed): 50x12x12cm (19½x4¾x4¾") / Dims (unpacked): 150x130x88cm (59x51x34½")  
**Family (L10315)** - Weight: 2.30 kg (5 lbs. 1 oz.) / Dims (packed): 55x14x14cm (21½x5½x5½") / Dims (unpacked): 170x170x110cm (67x67x43")

- 1 Sand pockets help prevent the shelter from blowing away
- 2 SPF-50 rated fabrics offer protection from harmful rays
- 3 Packs down into a compact carry case with shoulder strap

- 4 High quality, shock-corded fiberglass poles
- 5 Zip-down front panel for privacy (Family only)
- 6 Lightweight and durable fabrics

Complies with BS EN 13758-1:2002 Safety Standard

## *Parachute Playmat* LI0305

Measuring 2.5 metres in diameter, the colourful LittleLife Parachute Playmat can either be used as a groundsheet or for a host of fun activities. With 6 grab handles all around the edge, there are numerous games that can be played. Made from lightweight water-resistant fabrics, the Parachute Playmat packs neatly into its own carry case.

**Weight:** 730 g (1 lbs. 9 oz.)

**Dimensions (packed):** 24 x 24 x 50cm (9½ x 9½ x 19¾")

**Dimensions (unpacked):** 250 x 250cm (98½ x 98½")

- 1 Colourful design with fun prints
- 2 High quality, water resistant and machine washable fabrics
- 3 Six grab handles around the edge
- 4 Packs down into a compact carry case

Complies with BS EN 71-1:2005 +A6:2008, BS EN 71-2:2006 +A1:2007 & BS EN 71-3:1994 Safety Standards

## First Aid Kits

Every so often, kids will inevitably have a bump or a graze so it is important to have a first aid kit handy, just in case. We have developed a range of well equipped kits for parents to use. The LittleLife range consists of the Mini, Compact and Family kits which cater for anything from a day out in the park to a family holiday abroad. Each kit contains the necessary basic first aid items you are likely to need to treat most common injuries.

- Mini (L10410)** - Weight: 211 g (7.4 oz.) / Dimensions: 13 x 9 x 5cm (5 x 3½ x 2")
- Compact (L10415)** - Weight: 255 g (9 oz.) / Dimensions: 15 x 10 x 6cm (6 x 4 x 2½")
- Family (L10405)** - Weight: 473 g (16.7 oz.) / Dimensions: 17 x 12 x 7cm (6¾ x 4¾ x 2¾")

## Mini LI0410

A compact first aid kit, great for days out.

**Contains:** Primary care leaflet, scissors, tweezers, forehead thermometer, micropor tape, Savlon antiseptic cream, antiseptic wipes, medium dressing, low adherent dressing, gauze swabs, plasters, safety pins, burn gel, eye wash and stickers.
